"The Mission of Surry Baptist Association is to glorify God through Jesus Christ by assisting and encouraging Congregations in a partnership of cooperative ministries of reaching people and developing believers."

From Your Director of Missions — Dr. Dan Merritt

While watching the news a few weeks ago, it was reported of the sad incident where a cargo plane ran off the runway and slammed into an unsuspecting van with several people inside. One minute they were headed to a planned location, talking and laughing, and the next minute they were out in eternity as the impact of the plane instantly killed the van passengers. How tragic. Watching the report of the incident, my eyes became misty. Life can change in the blink of an eye. From such a tragic incident, we learn many truths.

First, we learn life is uncertain. All was going normally with those passengers, then in a split second their lives were over. Such a tragedy reminds us once again that life is uncertain, that our plans can be upended in the snap of a finger; therefore, be ready to meet the Lord whether by death or His Second Coming.

The second truth we learn is that we must be dependent on the Lord every second of every day. Every heartbeat we are granted, every breath we take comes from the Lord. When the rug is pulled out from us we realize we are not the ones in control. When our plans and routine is upended, we are forced to admit we are not the autonomous beings we thought we were. For stability, we must look beyond our circumstances for security, and look to Christ who is the same yesterday, today, and forever. We must be dependent on Him every moment of our lives.

The third truth we learn, God is still in control. Nothing that takes place, even the tragic, escapes the Lord. He doesn't have to read the morning newspaper to see what happened overnight. He is still on the throne. In Revelation 4 John saw a throne in heaven and it wasn't empty, but One sat upon it. God in His wisdom can bring good even of tragedy. It may be a mystery to us what that good will be, but it is not a mystery to Him. In our lack of understanding we are to trust His wisdom and give thanks that His omnipotent Hand is still working in circumstances and events that are for His glory and what in the long run is for our best and in accordance with His divine purposes.

Fourth truth we learn, life is a valuable gift to be treasured. Any accident, sickness and disease that snatches from us friends and loved ones reminds us that we are all mortal who have but limited days on earth. Tragedy reminds us life at its longest is short, and each day is to be treasured as a gift from heaven. We learn through tragedy many things we considered valuable are not as valuable as family, friends, health, and our relationship with the Lord. Those are gifts that money can't buy. Life is a valuable gift to be treasured

and used each day to serve the Lord and enjoy the gift of family, friends, health, and our relationship with Christ.

Fifth, realizing that life is but a vapor, we must spread the Gospel by any means possible. Those to whom we tell the Truth to, it may be the last time they hear it. That person we witness to, our words may be the last they hear. So let us as the epistle of Jude commands, "On some have compassion, making a difference" (v. 22). May we vow to be the kind of person who makes a difference. Seeing that time is short, it behooves us to share the Gospel story with those we encounter. It may their last chance to make a decision for Christ.

If I can ever be of help to you in any way, give me a call or stop by the office.

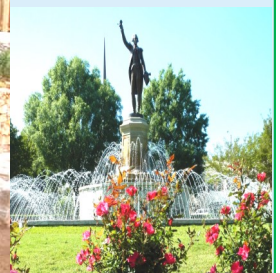

Serving Christ Together,
Dr. Dan

Baptist Men Update

For our September meeting, we met at The Surry Baptist Association. Terry and Jo Hardy provided our meal. We had 11 present. Terry Hardy led our devotion, which was both inspiring and challenging. Gary reported that we have completed 20 ramps so far this year. We discussed our Fall Pancake Breakfast, the firewood ministry, and upcoming projects.

Please consider donating to the Surry Handyman Ministry to help fund our local projects. We have many project requests and limited funding, but with your help, we can continue making a difference in the lives of those who need it most. The Baptist Men invite all Men and Women within the association to come join us on Monday, October 12th at 6:30 pm at the Surry Baptist Associational office. A meal will be provided. We hope to see everyone there for fellowship and a time of planning how to share God's love through our service. If your church has a men's group or any individual is interested in taking part in any of our activities, you are welcome to call Mike Francis at 336-830-1655 for more information.

Many thanks to Highland Park WMU for hosting the annual Fall Gathering at which time the new WMU theme was announced - "Meant for the Mission". This is a great theme that is taken from John 15:1-17 and focuses on Christ as the true vine: believers as branches of the vine; and the importance of ALL believers being on mission with God to share the Gospel of Jesus Christ to those near and far. Believers are chosen and appointed by God to be involved in missions, pray like Jesus, and to love like Jesus as we reach out to others. Please read and concentrate on John 15 and ask God to open your eyes to what He would have you do. We are "MEANT" to be co-laborers with God who serve with One Vision and One Heartbeat. Praise God for His love and mercy!
