We serve as missionaries with the North American Mission Board and minister to multifamily housing communities in North Carolina. We have ministries in 8 areas of Winston-Salem and enjoy teaching churches throughout the state how to duplicate our ministry in their cities. Daily we see challenged and neglected families and children who have many physical and spiritual needs.

We provide Bible clubs, summer camps for children, teen and children special events, and many adult Bible and meal events. We often have craft times at our events and make gift bags for our children that include school supplies and small toys. We make gift bags for adults that include cleaners and basic household supplies. These gift bags demonstrate God's love in a tangible way as we connect with children and their families.

Thank you for partnering with us to present the gospel of Jesus Christ to many who have never heard it.

We look forward to how God will work in the lives of children, sponsors, and churches during this special emphasis and time of sharing.
